

ottoBucce

PIEMONTE

DOC

ROSSO

8 Bucce is a wine conceived to celebrate the 80 years of Dezzani Company and to promote its philosophy, with a blend of tradition and innovation aimed to work worldwide.

Literally "8 skins", as 8 are the grapes have been blended to make this wine: Barbera, Dolcetto, Freisa, Bonarda and Albarossa, which are part of the enological panorama of Piedmont region (the tradition), and the international Merlot, Syrah and Cabernet Sauvignon (one of our ingredients toward the innovation).

The result is this wine with its ruby red colour and purple highlights. On the nose, complex aromas with delicate notes of red fruits, vanilla and fine spices. Soft to the palate with a mellow and tempting taste. Fascinating and harmonic in its unicity.

Serve at 18 °C.

Best within five years after vintage.
